

# I Can't Believe

Geoff Bradford

Wo-oh-oh-oh-oh, nn-nn-nn-nn-nn-nn-nn, yeah ye-e-eah, wo-oh-oh

I can't believe I'm waking up in your bed  
When I've been wanting you so long  
And I wish that I could see the plans in your head  
Cause I don't know what's going on

But when you're here beside me lying next to me  
And hear your gentle breathing as you sleep  
I feel a warmth that comes in like that southern sun  
We got no promises to keep

So you be you, I'll be me  
Whatever happens it's all right  
You be you, and I'll be me  
Maybe that's all we got in life

Wo-oh-oh-oh-oh, nn-nn-nn-nn-nn-nn-nn, yeah ye-e-eah, wo-oh-oh

Maybe I'll never know what made you decide  
That I should stay with you last night  
I guess that I can't keep a secret from you  
But I don't know what's in your mind

But you be you, I'll be me  
Whatever happens it's all right  
You be you, I'll be me  
Maybe that's all we got in life

You be you, I'll be me  
Whatever happens it's all right  
You be you, and I'll be me-ee-ee  
Maybe that's all we got in life  
Maybe that's all we got in life

I can't believe I'm waking up in your bed  
When I've been wanting you so long
